24 Feb 65 memo from John McCone to

atty Gen'l Katzenbach

DDP 5-0728 Exec Registry 65-660/a

In response to 8 Feb 65 letter by
Katzenbach regarding security
controls on CIA correspondence furnished
to the WC

Each item of CIA correspondence was
carefully examined by WC attorneys and
an agreement was reached w/CIA
as to what could be entered into public
record & what should be withheld under
rigid security controls. 3 criteria

used to make the determination:

a) evidential value of the info
b) protection of sensitive sources
+ methods of operation

c) possible int'l ramifications

Some thousands of the material

was acquired in foreign soil,
particularly in Mexico & USSR

"Our reps were instructed by me
to cooperate fully w/ the Pres' Comm'n & its uphold nothing from
its sources unless it's illegal
The ultimate attitude to disclosure made

the compromise difficult but finally
accomplished without jeopardizing
security or other agency interests.
I believe you will find it to be a
timely & informative document.

DCI Material Vol. 2

30 January 1978

Mr. Evans

1111851

On 12 January we received a House Select Committee on Assassinations (HSCA) request for documents under a cover memo from OLC. OLC had assigned action to us on items #23, 30, 31, 34 and 35. In subsequent conversation w/ OLC I suggested that DDC be assigned the action on Items 29, 30 and 34. OLC agreed.

Item #31 (Post-assassination communications between former DCI Dulles and the CIA) is very broad since it covers all correspondence for the period 1963 ^{against ease} January 1969. I briefly reviewed those files and found nothing that appeared to be of interest to the HSCA. They do not contain a file on the Warren Commission.

The files do contain copies of correspondence between AWP and the Agency and therefore I have made a brief summary of the files and attached it at Tab A. I also did a search of ER index for material in Executive Registry file letter received from AWP or addressed to him for the same period. Copies of extracts of the material are included in Tab A.

On item #35 (regarding the fact that Mr. Clegg's appearance before the Warren Comm'n) I reviewed each file

list on the McCone file on ER computers
and then recalled individual files
which fell into the 1963-1964 period.

The McCone file do not contain
a file on the Warren Comm'n. I
did not find any material concern-
ing preparations for DCI McCone's
appearance before the Comm'n. I
did find a transcript of a 12 May
1964 telephone conversation between
DCI McCone & Mr. Rankin, General
Counsel for the Committee on Assess-
ation asking the DCI to appear before
the Committee the following week. A
copy is attached at Tab B. Also at

Tab B are two miscellaneous memo-
andars which might be of interest.

I am told ... that OSC handled
the Agency contact w/ the Comm'n
so they would probably be the best
bet.

I have also reviewed the Executive
Registry files on the Warren
Comm'n and on the Garrison investi-
gation. They contained notes on the
preparation of the DCI for his appearance
before the Commission. However, they
are available in ER if you wish to
see them.

memorandum.

928-927 Memo for the file 25 Nov. 64
From: Willard C. Curtis 111187A
Sdy: June Cobb
Interview w/ Elena Paz, about June
Cobb

Paz refers now to Cobb, as Amerson

1011
Paz is afraid of Cobb.
Paz tried to talk to RFK when he was
here. She wanted to tell him that
she had met LHO when he was in
NYC. She said she met him +
2 friends (Cubans) at the home of
~~Hector~~ Horacio (and Sylvia) Duran.

Mrs Paz says she is absolutely sure
of this - and knows Oswald was at
the Duran apt for a party at which
she was present.

Mrs Paz told [Richard J.] that she had
come to the U.S Embassy and had told
an American official of this story
about LHO. She said the US Embassy
official said he was an official rep.
of the WC. He also told her she
should be afraid of June Cobb.

I asked [LHUFF] to get [Richard J.]
to pursue the story of LHO & to
continue to report on Paz & Cobb.

29 Oct 75 Memo for Deputy Chief, Security
Analysts Group
Subj: Docs relating to J.F. Rosenthal

In response to request Raymond Readam & Michael Schneberger reviewed the 18 files of Covert security file #262 622 relating to custodial handling of Yuri Nosenko. In addition to the 18 volumes, various unnumbered files relating to site plans of the various safe sites used in this case and admin files relating to expenses incurred & other miscellaneous items were also reviewed.

As a result of review the attached docs were located which make mention of Nosenko's being debrifed concerning LHO. Add'lly, a 11 March 64 memo from District Field Office (DFO) was located giving a summary of info which Nosenko provided DFO personnel during casual conversation. One of the items in this memo is the lengthy discussion of Nosenko's knowledge of LHO.

+1111878

Nosenko complained repeatedly to his lawyer, attorney for client, that he had been held incommunicado and was not allowed to see his family.

Believe all real estate around
target including all 3 base houses
would get very close attention &
poss of some harassment

If photo published station would
try to forewarn basehouse operators
for hostile reactions. Will clean
all 3 affected bases of all tech
equipment for indefinite period
first priority public.

~~Chernikov~~ one time became very emotional
Saying he was misunderstood, really
Wants to remain in US.

Nosenko was questioned on:

- 1) why KGB did not do certain things such as run an investigation on Litvinenko, check into his Marine experience etc
 - 2) why he had said at one time that Litvinenko was a poor shot and on another occasion said he was a good marksman
 - 3) on what extent org. + extent to which served as KGB cover, KGB emergency war plans, + extent to which these plans were activated during Cuban missile crisis
 - 4) processing of Litvinenko visa (said was done in normal manner + that KGB had copy of visa application)
- Said Russian Embassies since 1960 have authority to issue visas in 3 to 5 days after application. Said Litvinenko applied orally + late in writing for Sov citizenship. Copy of written request sent to KGB. Copy of it was sent to Supreme Soviet after Litvinenko disclosed his status.

11/11/1979 KGB studied reports prepared by Case officer KRUZNOF + decided Litvinenko not normal, so of no interest. (as KGB is not responsible for Soviet citizens) Distrusted Litvinenko because Litvinenko had been working with

- 5) Marion Oswald - KGB had info on Maura only after she announced her intention to marry LHo. A record check [by KGB] showed she was not in Young Communist League because she did not pay her dues. After married LHo her pay was increased to impress the foreign she married.
- 6) Beside Krugnoff & Kosko, Dubas & Medkov were the Moscow KGB agents who knew of LHo case prior to assass. A Dept Chief, Jomokov, + 5 other KGB case officers knew of the case after the assass.
- 7) Some of the Internat people LHo dealt with were KGB people
- 8) LHo's case was not the same as other Americans in Russia because he was considered not normal + was not considered a defector as were Martin + Mitchell
